### More Dakota Banks Close Doors

Fargo, N.D., Dec. 27.—Following the announcement of the closing of the First Farmers Bank at Minot today, it was stated by Fargo bankers that the People's Bank at Hatton was closed last Thursday.

Two other banks in the state that have closed since the state banking department recently adopted the policy of making no announcement concerning closed banks are the State Bank of Minot and the Merchants State Bank of Napoleon. Both these banks are owned by the Savings and Loan Trust Company of Minot.

### Buckhorn

Mrs George Twiss is spending a few weeks in Edmonton, visiting friends.

A. Davidson and Mrs Curtis Ely left last Monday on an extended visit to their old home and relatives in the United States. We wish them a very enjoyable trip.

Our gym class is getting to be a great success, and crowds are turning out. Please take notice that the night has been changed to Friday to make it more convenient for the school boys. Last week we noticed some one had turned out to our class Thursday, and we were sorry that they had had a wasted trip. However, we are hoping the friends will turn up again, and so please note it is Friday nights, so please come one and all.

We are all appreciating this lovely weather at Christmas, and we certainly have something to be grateful for.

Mr and Mrs E. H. Rowe paid a visit to Mr and Mrs J. Hodgson, of Park Springs district, last Tuesday evening.

The young folks of the Crystal Springs Sunday school paid the homes of Mr and Mrs George Betts and Mr and Mrs E. H. Rowe a visit this week, practising and having a jolly time was the order.

The young people of the Crystal Springs school join in sending their Xmas greetings, through the Buckhorn news, to their kind friends who are readers of this paper, and also to our Editor. A Very Merry Xmas and A Happy and Prosperous New Year to all.

Vancouver, Dec. 28.—Two masked men entered the London Grill in the west end of the city, shortly before 10 o'clock last night, covered their faces and proceeded to rob the cash register and the safe, and then made good their escape.

### Morningside

The Christmas entertainment of the Morningside S.S. and day school combined, which was held in the church Thursday evening, was a decided success in every respect. The glad Christmas story was proclaimed in song and story by youthful lips in such a manner as to make the evening a very interesting and enjoyable one for the large audience that filled the church.

The superintendent, Mr Grant, presided, and welcomed all parents and friends who had come to listen to the little folk.

The entertainment was opened by all joining and singing the Doxology. The following gave appropriate recitations, which were listened to with rapt attention: Eva Redding, Irene Carson, Ann Lindskog, Harvey Flegel and Otto Flegel. The first item on the programme was a Christmas exercise

by the children. The Lulla Bye song by seven little girls with their daisies, would do credit to grown ups. Arthur Flegel simply took the house down with his song, and was heartily successful.

All the children, in the song and choruses, "Santa Claus Will Fill Your Stockings," did excellently. One of the most pleasing and effective items was the rendering of the fairy story, Little Boy Blue, by six little boys and six little girls. This was exceedingly pretty, and went through without a pause. Charlie Bowman made a splendid teacher in his dialogue, the Isaac Woods school.

The second part of the programme was given by a few of the older ones. The dialogue, "Matrimonial Advertising," was both enjoyable and very amusing. The parts were taken by the following: Mrs Stenfor as Grandma Cole, Ernest Healing and Miss Dolores as grand-children, Dolly Healing and Otto Flegel as maiden aunt and suitor.

All characters displayed excellent dramatic ability. The solo rendered by Mr Healing, and Mr E. Healing were appreciated by all, and received hearty encores, as were also the songs by the following—Mrs Patterson, Dolly Healing, P. W. Sutherland, Otto Flegel, and Mr Healing and sons. The closing number, "Santa Claus is Drawing Near," rendered by the children to the jingling of sleigh bells, and by the light of colored candles, was very effective and interesting.

To the children as Santa appeared on the scene to unload the tree, which was well loaded. Special prizes were given to those who were in the contest for attendance. Girls—first prize, Miriam Lindskog, who only missed one Sunday since the S.S. was organized on 1st of May; a gold locket and chain; Ed, Eliza, Edna, Sutherland and Lily Lindeberg (together), only missing two Sundays, gold locket and chain. Boys—first prize, Edna, a book; Edna, Alex, Boyie, a book. Lunch was served to all after singing the

### Holding Wheat For Three Dollars

New York, Dec. 27.—The New York Herald this morning prints a number of dispatches from points in the middle west of the United States, dealing with the wheat situation in that district. In an introduction summing up the general conditions indicated by these reports, the paper says:

"While congress is wrestling with farmers' relief legislation, millions of bushels of wheat are lying in the fields and bins of the middle west. The farmers in Kansas are burning their wheat for fuel."

"Wheat is quoted at \$1.65 per bushel, and the farmers say they are holding out for \$3.00."

Herb, Ross and Milton Stephenson left for Camp Barren, Manitoba, this week where they will learn a course in aviation.

Miss Dobbs was ably assisted by Mrs Patterson and Mrs Sutherland, and received a hearty vote of thanks for their untiring efforts in putting on such a splendid production. Miss Dolores, teacher, was the recipient of a very nice ebony hair brush from the children.

Mr and Mrs Franklin, of Rimouski, are visiting at Mr Steacie's, and other friends in the district.

Charlie and Royal Murdoch, who have been attending college at Orléans, are holidaying at their home.

Mr and Mrs Chapman, of Edmonton, are spending a few days at Mr and Mrs Carter's.

Mr Thorburn is spending a few days with his family at Airdrie. Mrs Levermore, who has been teaching at Ennisville, is visiting with her sister, Mrs R. Riddoch.

We are pleased to report that Edna Riddoch, who has been taking treatments in Edmonton, is improving.

Gertrude Sutherland, of the Ponoka school district, is holidaying at home.

Will Grant, who is attending the University in Edmonton, is home for the holidays, also Charlie Healing, of Alberta College, North, and Bessie Johnson, Chilton's Teachers College.

Jack Stoffer, who has been hunting and trapping north-west of Edmonton, is home for the Christmas holidays.

Mrs Hamilton, formerly of Morningside, who has spent the last two years in Ontario, has returned to her home in December.

Miss Mary Hamilton, of Cameron Normal School, spent a few days with her friend, Miss Alice Grant.

### ED. HINKLEY WRITES ON SCHOOL AFFAIRS

Ponoka, Dec. 27, 1920.

To the Editor, Ponoka Herald,

Dear Sir,—Just a little space in your paper in reply to the statement which appeared in the last issue saying that Edward Hinkley, the old war horse, had been beaten by one vote. I realize that those who stood by me are the ratepayers who have to produce their taxes by their own labour, and have no way of shortening it off on the other fellow. This class I have stood by for fifteen years, and did all I could to keep their money from being squandered by a professional class.

Our school has a reputation at the Department of Education of being one of the best schools in the province, at the least possible expense.

A yarn was started in town that I was a man who advocated that the Sixth Grade was high enough or anything. Now, I wish to say that the truth is not in that person. I believe all my friends will back me when I say that I have always advocated every boy and girl having the privilege of going through the Twelfth Grade at the expense of the ratepayers.

I don't feel that I am a heater, but just laid off for a rest, and you will always find the Old War Horse fighting for the people who pay the bill.

I may say that I am President of the Trustees' Association of Alberta.

Thanking the people who stood by me in the election,

I remain, yours truly,

EDWARD HINKLEY.

## Merchants Bank of Canada In Very Strong Position--Steady Gain in Deposits

Large Increase in Assistance Bank Has Given to Canadian Business.  
Total Assets Cross \$200,000,000 Mark and Establish New High  
Record. Capital and Reserve Increased.

The Merchants Bank of Canada, in its half-yearly statement to October 30th, shows itself in a very strong position.

During the past year there has been a marked change in the business conditions of the country and the Merchants has been able to quickly anticipate them. Its close association with the growing business of the country and its special service to farmers in all the provinces have resulted in a very large increase in current loans and discounts, these now standing at \$125,510,085, as compared with \$102,340,364, an increase of \$23,169,721.

The larger part the Bank has been playing in the expanding trade of the Dominion made it advisable to increase its resources by adding to both its Capital and Reserve. This is being done and the statements of the new Capital Stock have already paid have resulted in an increase in the Paid-up Capital to \$80,650,000, a gain of \$10,145,000. At the same time the Reserve Fund has been increased by \$1,000,000 and stands at \$8,000,000.

### Substantial Gain in Deposits

From the standpoint of the general public, there will be special interest in the steady growth in savings deposits. This must be regarded as a healthy sign during the period of readjustment. During the year the last Victory Loan caused very large withdrawals from all the banks. Notwithstanding this development, the savings deposits show a gain of \$1,880,000, and the total of savings and ordinary deposits now stand at \$170,640,000, the largest in the history of the Bank.

While there has been such a large gain in the general business handled throughout the country there has, on the other hand, been a steady reduction of the special undertakings assumed for the Government during the war period.

A new high record is also made in point of total assets and this now stand at \$200,650,000, a gain of \$10,145,000.

A comparison of the principal assets at the end of the half-year with those of the corresponding period last year, shows as follows:

| ASSETS                                                             | 1920             | 1919             |
